

Jamia Siraj ul Uloom – COVID-19 Testing at home of Staff and students Privacy Statement

Ownership of the Personal Data

To enable the Covid-19 testing to be completed at Jamia Siraj ul Uloom, we need to process personal data, including the sharing of personal data where this is allowed under data protection legislation. Lantern of Knowledge (Jamia Siraj ul Uloom) is the Data Controller for the data required for the management of tests and implementing local arrangements in the event of a positive test and undertaking any actions needed by Jamias as part of the Jamia's health (including public health), welfare and safeguarding role and obligations.

Ownership of the Personal Data you share with DHSC

Every time you use a lateral flow test you must report the results. More details can be found here - [Report a COVID-19 test result - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/news/report-a-covid-19-test-result). The Department for Health and Social Care (DHSC) is the data controller for the information that you transfer to them about you and your test results. For more information about what the DHSC do with your data please see their [COVID-19 Privacy Notice](#)

The Jamia remains the Data Controller for the data we retain about you for the management of tests and implementing local arrangements in the event of a positive test.

You should read both this Privacy Notice and the DHSC COVID-19 Privacy Notice to understand how your personal data is used prior to taking a test.

Personal Data involved

The following personal data is processed by the Jamia in relation to your test:

- Name
- Unique code assigned to each individual test and which will become the primary reference number for the tests.
- Test result

For more information about what the DHSC do with your data please see their [COVID-19 Privacy Notice](#)

How we store your personal information

The Jamia will maintain a test kit log which will record against your name details of the testing kit which has been provided to you. The Jamia may also record Personal Data about you in its internal COVID-19 test register (the Jamia's COVID-19 test register will not be shared with DHSC). This information will only be stored securely on locally managed systems with appropriate access controls in Jamia and will only be accessible to personnel involved in the management of tests and implementing local arrangements in the event of a positive test.

The Jamia will retain its test kit log and COVID-19 test register for a period of twelve (12) months from the date of the last entries made by the Jamia into them.

For more information about what the DHSC do with your data please see their [COVID-19 Privacy Notice](#)

Processing of Personal Data Relating to Positive test results

We will use this information to enact our own COVID isolation and control processes without telling anyone who it is that has received the positive test.

For more information about what the DHSC do with your data please see their [COVID-19 Privacy Notice](#)

This information will be kept by the Jamia for a period of twelve (12) months and by the NHS for eight (8) years.

Processing of Personal Data Relating to Negative and Void test results

We will record a negative and void result for the purpose of stock controls of tests and general performance of the testing process.

Data Sharing Partners

The personal data associated with test results will be shared with

- DHSC, NHS, PHE – to ensure that they can undertake the necessary Test and Trace activities and to conduct research and compile statistical information about Coronavirus.
- Your GP – the NHS may share the information you provide with your GP to maintain your medical records and to offer support and guidance as necessary. Any data you provide to the Jamia will not be shared with your GP.
- Local Government to undertake local public health duties and to record and analyse local spreads.

Personal Data in the Jamia's test kit log will be shared with DHSC to identify which test kit has been given to which individual in the event of a product recall. The Jamia will not share its internal COVID-19 test register with DHSC.
